The screenshot displays the NAPEO member portal interface. At the top, there is a navigation bar with links for 'About NAPEO', 'Newsroom', 'What is a PEO', 'Advocacy', 'Events', 'PEO Resources', 'Membership', and 'Services'. Below this, a secondary navigation bar includes 'Home', 'Online Store', 'Upcoming Events', and 'Membership Directory'. The user's login information is shown as 'ID: 30613' and 'Nancy Benoudiz (back to Console)', with a 'Logout' button. A welcome message states: 'Welcome to your member portal where you can update your address and contact information; search the member directory; print invoices, keep track of your CEU credits, and register for events - and, if you are the primary member contact you can renew your membership.'

The main content area is divided into three sections:

- My Profile:** Includes a profile picture of Nancy Benoudiz, her contact information (707 N Saint Asaph St, Alexandria, VA 22314-1911), and her preferred contact details (phone: (703) 739-8169, email: nbenoudiz@napeo.org). Links for 'Edit My Information' and 'Change My Password' are provided.
- My Account:** Shows the 'Outstanding Balance' as \$0.00 and the 'Last Payment' as 4/15/2025 for \$1,000.00. It includes links to 'Manage Saved Payment Options', 'Manage Installment Plans', and 'View Account History'.
- My Membership:** Displays the member's status as 'Active', joined on 4/21/2017, and expiration on 12/31/2040. It lists the membership type as 'Affiliated Organization Membership' and provides links to 'Join/Renew National Association of Professional Employer Organizations' and 'Search Membership Directory'.

Additional sections include 'Events' with a list of upcoming events (e.g., 'NAPEO Webinar Series: One Big Beautiful Bill Act - What Happens Now?', 'NAPEO's 2025 New York/New Jersey/New England LCF') and 'My CEU Credits' showing 0.00 credits to date.

Registration Tips:

First, check that your name appears at the top of the screen. If you are the *Main Member Contact*, you will see both your **organization account** (company) and your **individual account**.

Since conference registrations must be completed under an **individual account**, be sure you are logged into your personal profile. You can switch profiles using the same login, just below the **My Membership** section.

Once in your individual account, click on the **Annual Conference & Marketplace** link to proceed.

Avoiding Issues when Registering online

The most common issue we hear about is when someone tries to register for the Conference but receives an ‘ineligible’ message

Q: I’m receiving an error message when trying to register for the conference. What do I do?

A: This usually happens when someone logs into their **Organization account** instead of their linked **Individual account**.

Since conference registrations are for individuals, you’ll need to log in using your individual account to complete the process.

Please try switching to your individual account and give it another try!

NAPEO Gives Back Partner for 2025 is Anthropos Arts

- We are thrilled to announce that NAPEO Gives Back will be partnering again with Anthropos Arts as our charity for 2025! Anthropos Arts is an organization whose mission is to connect low-income youth with professional musicians, cultivating confidence, integrity and life-skills through musical instruction and mentorship. This collaboration reflects our shared commitment to making a positive impact in our communities.
- Anthropos Arts does more than just provide free music education to underserved youth in the Austin area — the program fosters creativity, discipline and personal growth. It was the first charity NAPEO Gives Back partnered with in 2019, and we made a big difference in their ability to help at-risk youth and continue their program through the pandemic. We love their mission and have decided to partner again with them in 2025! Through this year's partnership, we will support Anthropos Arts in their mission, contributing to their efforts to inspire and empower the next generation of musicians.
- Hear firsthand from students who have participated in the Anthropos Arts program to learn about their journeys and how the program has made an impact on their life.
- **There are three ways you can support fundraising efforts for Anthropos Arts:**
 1. Make a donation, no matter the size.
 2. Renew your NAPEO Gives Back banner to highlight your company's support (\$3,000). Reach out to Ashley Martinez for any questions.
 3. Donate goods and services to the silent auction at NAPEO's Annual Conference & Marketplace. Contact Emily Duncan for more details.
- If you have any questions about NAPEO Gives Back, please contact Andrea Desmond.
